

Planning a Home Energy Retrofit? Select Sustainable Claremont as your Energy Champion!

1 Haven't started your retrofit? Complete this form:
www.SustainableClaremont.org/EC-Interest.

2 Already finished your retrofit? Complete this form:
www.SustainableClaremont.org/EC-Completion.

3 Based on the level of your retrofit, The Energy Network will give Sustainable Claremont up to \$400! Just fill out the forms- it's that easy! This money will be used to promote energy-efficiency in Claremont.

As an Energy Champion, Sustainable Claremont is here to help describe the benefits of the energy upgrades, shepherd people through the registration process, answer questions, and provide independent advice from well-meaning volunteers who have been through the process.
